WAC 132E-120-010 Everett Community College—Student conduct code—Statement of purpose. WAC 132E-120-020 Everett Community College—General policies. (1) Everett Community College distinguishes its responsibility for student conduct from the control functions of the wider community. When a student has been apprehended for the violation of a law of the community, the

state, or the nation, the college will not request or agree to special consideration for the student because of his status as a student. The college will cooperate fully, however, with law enforcement agencies, and with other agencies in any program for the rehabilitation of the student. Ordinarily, the college will not impose further sanctions after law enforcement agencies or the courts have disposed of a case.

- (2) Everett Community College may apply sanctions or take other appropriate action only when student conduct directly and significantly interferes with the college's
- (a) Primary educational responsibility of ensuring the opportunity of all members of the college's community to attain their educational objectives, or
- (b) Subsidiary responsibilities of protecting the health and safety of persons in the college community, maintaining and protecting property, keeping records and other services, and sponsoring non-classroom activities such as lectures, concerts, athletic events, and social functions.
- (3) Procedural fairness is basic to the proper enforcement of all college rules. In particular, no disciplinary sanction as serious as expulsion, suspension or disciplinary probation shall be imposed unless the student has been notified in writing of the charges against him and has had an opportunity
- (a) To appear alone or with any other person to advise and assist him before an appropriate committee, court, or official.
- (b) To know the nature and source of the evidence against him and to present evidence in his own behalf, and
- (c) To have his case reviewed by the faculty-student disciplinary committee.
- (4) Students shall have an opportunity to participate fully in the formulation of all policies and rules pertaining to student conduct.

WAC 132E-124-010 Everett and Edmonds Community College—State of educational freedom. The board of trustees of Washington Community College District V, acting in accordance with the responsibilities imposed upon us by the law of the state, herein takes notice that the college has prudently and effectively maintained a policy guaranteeing educational freedom to the faculty and to those it serves. The board of trustees sets forth the following statement as policy:

(1) We, the board of trustees of Washington Community College District No. 5, are responsible for general supervision of the affairs of Everett Community College and Edmonds Community College. As such, we believe we have a special obligation to vigorously promote the freedoms provided by the democratic processes of our free society. We conceive that central to its very existence is full and free discussion of the controversial issues of our time conducted in a responsible manner.

- (2) We believe that freedom of speech and assembly requires a forum wherein students may develop their thoughts and their convictions.
- (3) We seek to enlist and maintain a competent faculty whose members subscribe to high standards of professional conduct. We encourage the faculty to assist students in their search for truth in any way consistent with those standards which include an obligation on the part of the instructor to place major emphasis on information and analysis in his field of competence.
- (4) We hold that an instructor's unique role in the community is to be specially involved in the objective search for truth. His chief contribution, however, is in the classroom where in order to foster the spirit of responsible, objective inquiry he has freedom to discuss his subject and to lead discussion in any controversial aspects of its content. We hold that an instructor's unique position imposes upon him special obligations.
 - (a) In his writing and speaking he should seek accuracy.
 - (b) He should exercise appropriate restraint.
- (c) He should show respect for the opinions of others and for freedom of expression among others.
- (d) While writing or speaking as a private citizen he should clearly indicate that he is not a college spokesman.

We further believe that when any instructor speaks or writes as a private citizen he is entitled to all the rights of his citizenship and he must assume the responsibility for his own actions.

- (5) We encourage inviting to the college speakers who represent diverse points of view. Such speakers are expected to regard this privilege as entailing the same responsibilities and obligations as those faced by instructors. We, moreover, will always assure ourselves that the event is in no way an abuse of that privilege. In the discussion of sensitive issues the board of trustees reserves the right, either by its own act or by delegation, to impose conditions upon these speakers which will insure the opportunity to challenge these views. The trustees further insist that there shall be left no implication by the college of approval or disapproval of either the speakers of their views.
- (6) We encourage student organizations which are officially recognized by the college to invite speakers to the campus providing suitable space is available and there is no interference with the regularly scheduled program of the college.
- (7) In order to provide an atmosphere of open exchange and to insure that the educational objectives of the college are not obscured, the president may prescribe conditions for the conduct of the meeting in any case which may be attended by extreme emotional feeling. Such action may include designating a member of the faculty to be chairman, and/or requiring permission for comments and questions from the floor. Likewise the president may require the appearance of one or more additional speakers at the meeting in question, or at a subsequent meeting, so that other points of view may be expressed. He shall also prescribe the regulations for the

- advanced planning of all meetings to be addressed by outside speakers and may designate representatives to recommend conditions for the conduct of particular meetings.
- (8) The board of trustees will neither authorize nor tolerate actions by any speaker during a meeting which:
- (a) Incite the audience to riot or violate state or federal laws.
- (b) Advocate the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the state of Washington, or any political subdivision of either of them by revolution, force or violence.
- (9) The president or his duly delegated representative shall be charged with the responsibility of carrying out and implementing the policy enumerated herein.

[Order 72-1, § 132E-124-010, filed 2/1/73, effective 3/9/73.]

WAC 132E-124-020 Everett Community College distribution of literature procedures. In order to insure an atmosphere in which the discussion of diverse points of view and ideas may exist, the following policy with regard to the distribution of printed matter will be implemented.

- (1) Printed matter may be distributed in an orderly and nonforceful manner anywhere in the student center building, and the area directly in front thereof, except that
- (a) Noninstructional printed matter shall not be distributed in the classroom.
- (b) Printed matter shall not be distributed in Olympus Hall, the library, (other than specifically provided for) or in any area where the distribution of printed matter would restrict the physical passage of students or interfere with the instructional program.
- (c) Printed matter shall not be placed on any vehicle parked on the campus.
- (d) Posters and advertising bulletins must be approved by the office of student activities before they may be posted on campus. In general, material concerning off-campus activities will not be approved unless it is determined to be special service to ECC students.
- (2) In addition, three central points of distribution will be made available on campus:
 - (a) A table in the library.
 - (b) The kiosks in the student lounge.
- (c) A table in the TUB foyer—eastside entrance to the cafeteria.
- (3) As to content of printed matter, the college will be guided by both adherence to the First Amendment of the Federal Constitution and existing laws regarding libel, slander and obscenity
- (4) A system of prior censorship is to be avoided if at all possible. Therefore, maximum cooperation of students, faculty and administration will be necessary. Matters of interpretation regarding these procedures and questions as to content of any displayed material will be handled by the dean of students.
- (5) Printed matter originating with an off-campus individual or organization must be registered with the dean of students before distribution will be permitted.
